EXPERIENCE

Emerson College - Boston, MA (2006 - Present)

Film Production & Photography Student

Cast, directed, and co-produced numerous short films both for class and independently. Worked with standard definition video, high definition video, and 16MM black & white and color film. Edited videos in Final Cut Pro and finished with DVD Studio Pro. Wrote numerous screenplays and treatments, some of which used on screen. Worked with digital and black & white film photography; developed and printed in darkroom.

Self-Employed - Milwaukee, WI & Boston, MA (2005 - Present)

Web Designer & Photographer

Designed and coded full-scale portfolio, news, and profile websites for companies, professionals, and education. Shot, corrected, and printed photos for publicity purposes.

Apple Inc. - Milwaukee, WI & New York, NY (2007 - Present)

Mac Specialist

Assisted customers in finding technologies for their various needs. Performed basic technical support when needed.

Mac|Life Magazine - San Francisco, CA (2006 - 2007)

Intern & Freelance Author

Wrote numerous articles, including how-tos and reviews, that were published in the magazine and website.

EDUCATION

Emerson College - Boston, MA

Bachelor of Fine Arts in Film Production with Minor in Photography (Expected 2009)

Shorewood High School - Milwaukee, WI

High School Diploma received (2005)
